Customer Information for Ordering Activities

- 1a.** Table of awarded special item number(s) with appropriate cross-reference to item descriptions and awarded price(s).
 - a.** *Special Item No. 33411 - Purchase of New Equipment*
 - b.** *Special Item No. 54151ECOM - Electronic Commerce and Subscription Services*
 - c.** *Special Item No. 511210 - Software Licenses*
 - d.** *Special Item No. Ancillary - Ancillary Supplies and Services*
 - e.** *Special Item No. 54151S - Information Technology Professional Services*
- 1b.** Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply. *See Price Sheet.*
- 1c.** If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate "Not applicable" for this item. *Labor category descriptions begin on page 5.*
- 2** Maximum order:
 - a.** SINs 33411, 54151ECOM, 511210, 54151S - \$500,000.
 - b.** SIN Ancillary - \$250,000
- 3** Minimum order:
 - a.** SINs 33411, 54151ECOM, 511210, 54151S and Ancillary - \$100.
- 4** Geographic coverage. *The geographic scope of this contract is domestic delivery within the 48 contiguous states, Alaska, Hawaii, Puerto Rico, Washington, DC, and U.S. Territories.*
- 5** Point of production. *Same as company address.*
- 6** Discount from list prices or statement of net price. *Government prices are net.*
- 7** Quantity discounts. *None*
- 8** Prompt payment terms. *None; Net 30*
- 9a.** The Government purchase Card will be accepted for payment on orders below the micro-purchase threshold.
- 9b.** The Contractor and the ordering agency may agree to use the credit card for dollar amounts over the micro-purchase threshold.
- 10** Foreign items. *None*

- 11a.** Time of Delivery
- 11b.** Expedited Delivery
- 11c.** Overnight and 2-day delivery. Schedule customers may require overnight or 2-day delivery. The offeror is requested to annotate in its pricelist or by separate attachment the items that can be delivered overnight or within 2 days. Contractors offering such delivery service will be required to state in the FSS price list details concerning this service. *See Above*
- 11d.** Urgent Requirements. When the Federal Supply Schedule contract delivery period does not meet the bona fide urgent delivery requirements of an ordering agency, agencies are encouraged, if time permits, to contact the contractor for the purpose of obtaining accelerated delivery. The contractor shall reply to the inquiry within 3 workdays after receipt. (Telephonic replies shall be confirmed by the contractor in writing.) If the contractor offers an accelerated delivery time acceptable to the ordering agency, any order(s) placed pursuant to the agreed upon accelerated delivery time frame shall be delivered within this shorter delivery time and in accordance with all other terms and conditions of the contract.
- 12** F.O.B. point: *Destination*
- 13a.** Ordering address.

Description of Labor Services

The following are generic job descriptions portraying general knowledge, experience and educational requirements of individuals serving in the Job Titles set forth in this solicitation. Specific individual resumes of individuals to be employed will be furnished to the ordering agency upon request.

SIN 54151S:

A - Management

A01 Commercial Job Title: Program Manager

1. *Minimum/General Experience:*
 - a. Five (5) years of demonstrated experience providing technical support in associated field, including all facets of MultiMedia project development from inception to completion; requires hands-on experience and demonstrated ability to provide guidance and supervision of complex tasks similar to that ordered, with proven expertise in the management of tasks and control of resources and project funding.
2. *Functional Responsibility:*
 - a. Serves as single manager responsible for interfacing with the ordering agency contracting, management, and/or technical representatives. Formulates and enforces work standards, develops task scheduling, supervises task personnel, reviews deliverables, ensures quality, reviews work discrepancies, and communicates purpose, policies and goals of the organization.
3. *Minimum Education:*

- a. Bachelor's Degree from an accredited college or University, or 5 years related task experience.

B - Engineering

B01 Commercial Job Title: Project Engineer

1. *Minimum/General Experience:*
 - a. Five (5) years of demonstrated experience in complex system graphic design and development. Serves as the Technical Lead for related projects.
2. *Functional Responsibility:*
 - a. Provides technical guidance for development of MultiMedia projects. Designs and develops complex systems. Applies state-of-the-art technology in the analysis, development, acquisition of information and network systems. Evaluates alternatives and recommends Commercial off the shelf (COTS) hardware and system software.
3. *Minimum Education:*
 - a. Bachelor Degree in Computer Science, Information Systems, Engineering, Business, or other related scientific or technical discipline.

C. Computer Science

C01 Commercial Job Title: System Architect

1. *Minimum/General Experience*
 - a. Three (3) years of progressive Information Technology (IT) experience. Hands-on experience and demonstrated ability to provide graphic design support of complex tasks similar to that ordered.
2. *Functional Responsibility*
 - a. Works independently designing and developing MultiMedia initiatives including evaluation of IT related products. May lead a large development team in design of highly complex MultiMedia systems. Acts as highest level technical expert, addressing problems of systems integration, compatibility, and multiple platforms. Performs feasibility analysis on potential future projects to management.
3. *Minimum Education*
 - a. Bachelor's Degree from an accredited college or university, or three (3) related experience.

D. Analysis

D01 Commercial Job Title: Junior Analyst

1. *Minimum/General Experience:*

- a. One (1) years experience assisting senior staff with data analysis and the development and preparation of related documents and reports.
2. *Functional Responsibility:*
 - a. Collects, compiles, and analyzes data for research and development; provides input for the development of documentation and reports.
3. *Minimum Education:*
 - a. High School Diploma and one (1) year related experience.

D02 Commercial Job Title: Analyst

1. *Minimum/General Experience:*
 - a. Two (2) years demonstrated experience in the development and implementation of criteria for the collection, compilation and recording of data that allows testing and validation of outcomes through experimentation.
2. *Functional Responsibility:*
 - a. Develops procedures and protocols for conducting analyses. Demonstrates a thorough knowledge of analysis principles, theories and techniques to solve specific problems and formulate solutions. Evaluates complex data and prepares reports of results.
3. *Minimum Education:*
 - a. Bachelor Degree from an accredited college or university, or three (3) years of project related experience.

D03 Commercial Job Title: Senior Analyst

1. *Minimum/General Experience:*
 - a. Three (3) years demonstrated experience in the development and implementation of criteria for the collection, compilation and recording of data that allows verification and replication of outcomes through experimentation.
2. *Functional Responsibility:*
 - a. Develops procedures and protocols for conducting analyses. Demonstrates a thorough knowledge of analysis principles, theories and techniques to solve specific problems and formulate solutions. Evaluates complex data and prepares reports of results.
3. *Minimum Education:*
 - a. Bachelor Degree from an accredited college or university, or five (5) years project related experience.

D04 Commercial Job Title: Applications Systems Analyst

1. *Minimum/General Experience*
 - a. Five (5) years of progressive Information Technology (IT) experience. Hands-on experience and demonstrated ability to provide applications systems analysis support of complex tasks similar to that ordered.
2. *Functional Responsibility*

- a. Under general direction, formulates/defines system scope and objectives based on user needs. Devises or modifies procedures to solve complex problems considering computer equipment capacity and limitations, operating time and form of desired results. Prepares detailed specifications from which programs will be written. Analyzes and revises existing system logic difficulties and documentation as necessary. Competent to work at the highest technical level of all phases of applications systems analysis activities.
3. *Minimum Education*
 - a. Bachelor's Degree from an accredited college or university, or five (5) years project related experience.

D05 Commercial Job Title: Subject Matter Expert I

1. *Minimum/General Experience*
 - a. Three (3) years of project related experience. Hands-on experience and demonstrated ability to provide technical support of complex tasks similar to that ordered.
2. *Functional Responsibility*
 - a. Under general supervision performs assigned portions of projects such as analysis, design, integration, applications, which require a thorough knowledge of higher mathematics and related engineering/scientific/MultiMedia skills and knowledge. Participates in all phases of scientific, engineering and MultiMedia projects such as design, development, testing, training, and documentation.
3. *Minimum Education*
 - a. Bachelor's Degree from an accredited college or university.

D06 Commercial Job Title: Subject Matter Expert II

1. *Minimum/General Experience*
 - a. Four (4) years of projected related experience. Hands-on experience and demonstrated ability to provide technical support of complex tasks similar to that ordered.
2. *Functional Responsibility*
 - a. Performs assigned portions of projects such as analysis, design, and integration, which require a thorough knowledge of higher mathematics and related engineering/scientific/MultiMedia skills and knowledge. Participates in all phases of scientific, engineering and MultiMedia projects such as design, development, testing, training and documentation. May have responsibility for assisting in planning and have individual responsibility for portions of an engineering/scientific project.
3. *Minimum Education*
 - a. Bachelor's Degree from an accredited college or university.

D07 Commercial Job Title: Subject Matter Expert III

1. *Minimum/General Experience*

- a. Five (5) years of project related experience. Hands-on experience and demonstrated ability to provide technical support of complex tasks similar to that ordered.

2. *Functional Responsibility*

- a. Performs high-level analysis, evaluation, design, integration, documentation, and implementation of very complex projects, which require a thorough knowledge of administrative and technical skills.
